

Michigantown Christian Church Preschool is now registering students for the 2017-2018 school year. Children who are two by August 1, 2017, may enroll in the Toddler class, children who are three by August 1 and potty-trained may enroll in the Beginner class, and children who are four by August 1 may enroll in the Pre-K class.

The Toddler class will attend preschool on Fridays from 8:30-11:30. Toddler class tuition is \$35/month. The Beginner class will have a new option to attend two or three days a week, depending on family preference. Two days a week will be Mon./Wed. from 8:30 - 11:30 A.M. and three days a week would include Fridays. Tuition for Beginner Class (2 days) will be \$70.00/month or (3 days) \$90/month. The Pre-K class attends Mon./Wed./Fri. from 8:30-11:30 A.M. and tuition will be \$90.00/month. Depending on our enrollment numbers, there may be an option to choose an afternoon class. If you would prefer afternoons, please indicate so in your registration packet with the understanding that these will only be an option if the preschool meets its student quota.

To enroll your child, please fill out and return the following forms along with your \$30.00 (non-refundable) registration fee by August 1st. All registrations turned in before June 1, 2017, will receive \$15 off the first month's tuition. Make checks payable to Michigantown Christian Church Preschool or MCCP and send them to the church. If you have any questions, feel free to contact Amanda at (765) 413-7662 or mccpreschool@outlook.com. Please do not hesitate to take more registration forms and share them with your friends who have preschool-aged children. Thank you!
